VEHICLE DESCRIPTION

1974 Jensen-Healey Mark II Convertible
Solid '74 Jensen-Healey Mark II
Convertible finished in Red over
Black interior. Powered by its Lotus
907 2.0L DOHC 16V 4 cylinder with dual
Stromberg carbs, 4 speed manual.
This Jensen-Healey has been restored to
near original condition with Delta parts.
Even includes the original windshield
sticker describing how to use the choke.
New electronic ignition, tachometer, oil
and water cooling system, brakes, original
equipment tires, batter, bonnet prop kit,
AM/FM/CD stereo. Madera Concepts wood
dash, factory hardtop, like new carpet,
vinyl soft top, tonneau cover and new
in the box canvas soft top. This is
a nice and solid example of a deserving
but under-appreciated sports car. This
vehicle is located at: Specialty Sales 4321
